Dear Mr. Foster,

Your generosity will touch the lives of countless people in our community and enable Swedish to continue its long tradition of providing high-quality, compassionate health care to our patients. Thank you for your gift of \$4,672.00 to support the NICU / ISCU fund at Swedish Medical Center.

Since the founding of Swedish in 1910, philanthropy has always played a critical role in its success. Philanthropy has also helped us to achieve our mission of improving the health and well-being of each person we serve, regardless of their ability to pay. Today, Swedish has become a comprehensive health-care delivery system for our region, providing world-class care that meets the medical needs of hundreds of thousands of patients each year—from the safe delivery of newborn babies to the most serious life-threatening illnesses, and everything in between.

Again, thank you for your thoughtful gift. It will directly affect the health and well-being of patients and families from our community, both today and in the decades ahead.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Blume".
